Female students are conveyed from the hostel to school and back with the school bus shuttle daily. Therefore, students will not be given exeat to go outside of the school or hostel premises under any condition.

H. STUDENTS FELLOWSHIP

As an institution, we are committed to the students' total development and also conscious of producing God-fearing students. Therefore, the spiritual, intellectual, social, and physical development of all students is important to us. In this regard, the school has an interdenominational chapel where students can worship. The Christian students hold their service on Sundays ***in the school between 9am and 11am*** while Muslim students hold their Jumat Service on Fridays ***in the school between 1.30pm and 2.30pm.***

I. MOBILE PHONES AND LAPTOPS

We are committed to supporting your ward in their academic pursuits and in order to lessen distraction and help them focus, smartphones are **NOT** allowed. Each student is to come with a small torchlight phone with which they can call and receive calls while in the hostel.

Note that students can come with their laptops, with their names inscribed on them.
