- Male students are to have a low hair cut and appear well shaven while female students are to appear with moderate hairstyles.

G. MOVEMENT OF STUDENTS

For security reasons, the school operates a very strict policy on the movement of students in and out of school and around the city. Students are conveyed from the hostels to school and back with the school shuttle daily. Therefore, students will not be given exeat to go outside the school premises or hostel.

STUDENTS FELLOWSHIP

As an institution, we are committed to the students' total future development and therefore, conscious of producing God-fearing students in a God-centered environment. Therefore, the spiritual, intellectual, social, and physical development of all students is our primary focus. In this regard, the school has an interdenominational chapel with itinerant preachers from all denominations and an avenue for Muslims to conduct their daily prayers and worship. No student is allowed to stay back in the hostel during Sunday worship time which is between 9am to 12noon. Muslim students will be taken to the nearest Central Mosques for Jumat Service.

****Parents/Guardians are advised take a look at the subject combination for the course of their ward in order to assist in the purchasing of textbooks***

before resumption. However, the textbooks will also be available for sale at a bookstand during registration.
